Next steps after the submission

- Get a Copy of the Notification Letter:**

Contact your CCM representatives and make sure you are aware of the outcome of the C19RM request review.

- Engage in the Grant Revision Process:**

Ask your CCM representatives to follow-up on the grant revision, especially on the efficiencies identified (savings). It is important to know that because this is an opportunity to discuss what to do with the savings (and possibly funding above base activities from the C19RM request).

- Remain Vigilant Until the C19RM Grant is Signed**

Stay connected to the process until that happens, to make sure your inputs during Grant Revisions are approved by the CCM.

- Request Support During Grant Implementation:**

Implementation of C19RM TA and finalization of deliverables by 30 November 2021.
